

REGISTRATION POLICY

Purpose

BTB Soccer Academy registrations Policy describes the procedure that BTB Soccer Academy conducts in its registration process.

The registration period for summer outdoor season is one week after the last day of tryouts (or until the team is full). Winter Indoor registration is one week after the last tryouts (or until the team is full).

Sibling's discount will be applied to any family that has three or more kids registered in the program. The sibling discount is a 10% discount that will be applied towards the third or more child. The discounts will be applied towards the higher cost registration fee. BTB Soccer Academy will apply the discount and notify the registrant of the discount and their updated balance.

All BTB soccer Academy registrations must be completed and processed online through BTB soccer Academy TeamSnap link via the academy website. Registrants must make a deposit of a minimum of \$300 dollars to be considered registered (U9-U19). U4-U8 requires a minimum deposit of 30% to be considered registered. If a registrant chooses to use a payment plan, the balance must be paid in 3 equal payments monthly.

A player will not be refused registration because they cannot pay the registration fee. Applications for financial assistance are available through BTB Soccer Academy website and office.

Registration will **NOT** be accepted if the player is in arrears with BTB Soccer Academy from previous seasons. All delinquent funds must be paid in full by cash, credit card, money order or certified cheque before new registration is accepted.

Any NSF cheque will be assessed a \$25.00 administrative fee.
