## PHYSIOTHERAPY

Hello BTB,

I want to introduce myself again and go over the process of what a physiotherapy referral/appointment looks like, now that BTB and Movenetics have collaborated. This alliance will be of great benefit to the BTB Academy, and will offer great assistance to athletes with all of their rehab concerns.

My name is Mike Salame, a physiotherapist and proud owner of Movenetics Physiotherapy. My current office is located in South Edmonton, in the Alpha Pro Training facility, at 8331 Roper Road, Edmonton, AB.

My clinic will be your resource and destination for any and all rehab matters involving BTB athletes. An acute injury, nagging pain, running assessments, movement screens, or anything else, I am here to help! Also, I am able and more than happy to see family and friends for any and all concerns, as well. At the Movenetics Physiotherapy clinic, you can expect a timely assessment where we will assess and diagnose the root cause of the injury or pain. Patients can expect a prognosis and a tailored treatment plan.

My clinic offers direct billing for many of the main insurance providers, and with access to the Alpha Pro Training facility, we will be able to utilize this space for much of the rehab process. Booking is easy, as my website will have a direct link to my schedule, and this is where patients can pick a time that is convenient for them.

One of the many perks of the Movenetics x BTB Soccer Academy collaboration is that our joint venture will allow parents, coaches and myself to be able to collaborate and communicate efficiently during the whole rehab process. Coaches will be updated on injury recovery timelines and an athlete's readiness to return to play. Most importantly, I will be there the entire time to guide our athletes back to doing what they love most!

If there are ever any questions or concerns, I am always available. My contact information is:

Direct Line: (780) 504-2589

Email: [mike@movenetics.com](mailto:mike@movenetics.com)

Booking Website: [www.movenetics.com](http://www.movenetics.com)

It is an honour and a privilege to be part of such a great community with BTB, and to provide my services in ensuring that all of our athletes have access to high quality rehabilitation services, whenever they need it!

Look forward to meeting many of you over the coming months!

Best Regards,

Mike Salame
