- Order: We must always respect all rules, coaches, teammates, opponents, referees, volunteers, and games.
We must always win or lose with class.
- Care: We must always show empathy to one another, lift each other up when we are down, and celebrate the success of others like it's our own. We're a family.
- Best of Ability: We must always try our best in everything we do, from practices, games, schoolwork, and housework. We must fight every day to reach our goals.

PHILOSOPHY THE BTB WAY

- Coaches must adhere to the BTB Code of Conduct for coaches.
- Coaches are continuously encouraged to take courses to improve in all areas of coaching and leadership.
- Coaches are role models; they should set a great example on and off the field.

SAFE SPORT

BTB Soccer Club has taken the pledge and is now a proud Champion of the Responsible Coaching Movement (RCM). By making this pledge, BTB commits to maintaining supportive policies and processes that adhere to the RCM to ensure the safety and protection of BTB athletes and coaches and provide coaches with the tools and training necessary to model ethical behavior.

- RCM is a multi-phase, system-wide movement, coordinated by the Coaching Association of Canada and the Canadian Centre for Ethics in Sport, affecting all sports organizations and coaches. The first phase of the RCM focuses on three key areas:

Rule of Two

- A rule of two adults protects minor athletes in potentially vulnerable situations by ensuring more than one adult is present. Vulnerable situations can include closed-door meetings, travel, and training environments.

Background Screening

- The background screening process involves using several different tools to ensure coaches meet the necessary security requirements to coach athletes. These tools include comprehensive job postings, criminal record checks, interviews, and reference checks.

Respect and Ethics Training

- Increasing coaches' ethical conduct and behaviour toward athletes requires coaches be trained to understand what it means to act ethically. The training includes Make Ethical Decisions, from the National Coaching Certification Program, and training in abuse and harassment prevention, such as Respect in Sport.

- All staff, board members, coaches, volunteers, players and parents are encouraged to:
- Take the Safe Sport Training course offered through the Coach.ca website, which is free.
- BTB is committed to having all coaches, 16 and older, complete the course making ethical decisions.

- **Welfare protection:**

- Contact Tim McFadyen for more information about BTB policies and if you need someone to talk with. For more information about BTB's policies and documents visit btbsoccer.com/safesport.
